LARGE CEILING FANS

**Liberator**

10 Year Outdoor Limited Warranty
Lifetime Indoor Limited Warranty

The large diameter **Liberator** ceiling fan features nine contoured blades, either 72" or 82" in diameter, giving it a large physical presence. The DC motor is the largest in the industry and uses only 55 Watts of electricity. This is a powerful air moving machine and is suitable for damp locations. An optional integrated light is available. Remote control included.

**Titan II**

10 Year Outdoor Limited Warranty
Lifetime Indoor Limited Warranty

**Brushed Nickel Motor Finish**
82" Sweep Contoured Blades
Shown with Optional #610 LED Light

**Pure White**
**Brushed Nickel**
**Oil Rubbed Bronze**

**In-Wall Transmitter also available**

---

**UL Rated for Damp Locations**
The large diameter (up to 7 feet) Titan ceiling fan features six blades, in multiple sizes, 52", 66", 72" or 84" in diameter. The DC motor, using less than 32 Watts of electricity, with the compound pitch of the blades, moves an enormous volume of air. An optional integrated light is available. Remote control included.
**Contemporary Fans**

*Starfire*
- Lifetime Limited Warranty

*Starfire* features four swept blades flaring out from a slim, highly efficient, six-speed, reversible DC motor. An optional 15W dimmable LED light is also included. Remote control included.

**Vogue**
- 5 Year Outdoor Limited Warranty
- 25 Year Indoor Limited Warranty

The *Vogue* ceiling fan is sleek contemporary design with three contoured blades with a 60" sweep, blended gracefully into a minimal motor profile with a highly efficient, five-speed, reversible DC motor. Remote control included.

**Vogue Plus**
- 5 Year Outdoor Limited Warranty
- 25 Year Indoor Limited Warranty

The 60" sweep *Vogue Plus* ceiling fan features all of what the *Vogue* model offers, plus an integrated 18W LED light.
**CONTEMPORARY FANS**

**Luna**

- 10 Year Outdoor Limited Warranty
- Lifetime Indoor Limited Warranty

The damp rated Luna model features clean modern styling and simple curves. The included 100W halogen dome light is optional and can be eclipsed for a very clean base. Gently curved, mid-body blades provide excellent air movement. Controlled by your choice of wired wall control or remote control, packaged separately.

- Pure White Motor Finish
- Brushed Aluminum Motor Finish
- Oil Rubbed Bronze Motor Finish

**Pure White Blades - 52” Shown with Light**

**Reveal**

- 10 Year Outdoor Limited Warranty
- 25 Year Indoor Limited Warranty

The 52” sweep Reveal is an energy efficient 35W DC model in a modern minimalist design with three tapered blades. The included remote provides 6 speeds and reverse functions as well as basic control of optional 15W #600 LED light.

- Oil Rubbed Bronze Motor Finish
- Driftwood Finish - 60”

**Solara**

- 10 Year Outdoor Limited Warranty
- Lifetime Indoor Limited Warranty

The sleek Solara ceiling fan features integrated contoured blades that, when assembled, make up the body of the fan. Fine ridges highlight the contours of the blades and body. The Direct Current motor provides powerful airflow and superb energy efficiency. This model can be easily outfitted with a Light Kit (#630) if integrated lighting is also desired.

- Driftwood Finish - 60”
- Oil Rubbed Bronze Finish - 60”
